

PROFILE

Hi, I'm Lekha Sathvik! 🙋

🚀 I'm a student currently doing my B. Tech in Computer Science and Technology with specialization in Artificial Intelligence at Amrita School of Engineering, Amritapuri, Kerala.

I am very interested in Artificial Intelligence, Data Science and Machine learning. I like to learn and explore things that I don't know.

I know the basics of Java, Python, HTML and CSS. I am confident in my basic knowledge of "Object Oriented Programming" and "Data Structures and Algorithms".
